EARLY RETURNS SAY

Republicans Win in State and County by a Large Majority.

EDWIN S. STUART PENN'A. NEXT GOVERNOR.

Prosperity will Still Continue Through the Land. Roosevelt Policies will be Supported and the People of the Grand Old Key-stone State Have Reasons to Rejoice.

WESTMORELAND IS REPUBLICAN

Entire Ticket Went Through With Great Majority. — Congressman Huff Will Have 5,000 Plurality.

Notwithstanding the rumors and the tales of the prophets, old Westmoreland rolled up a nice majority and the entire ticket has been declared elected. One hundred districts have already been heard from and this number eliminates all those that are the least doubtful.

HON GEO. F HUFF

George F. Huff will have 5,000 of a majority over his opponent, Silas A. Kline, Democratic and fusion candidate

John Wentling, candidate for district attorney, is safe with a majority of 1200 out of ninety districts. The Democrats put up a hard fight with Ward Eicher in the field.

In some sections of the county Wentling was strong which made up for the precincts where political grievances were being centered on him alone and he proved to be an easy winner. In Monessen he got 213 votes out of the 461 cast, giving Eicher a majority of 35 in the three wards. John M. Hawk, candidate for Clerk of Courts got 287 votes in the three wards.

What was lost to the ticket in Monessen was made up in other precincts and every candidate won by a satisfactory majority and considering that this is an "off year" in politics, County Chairman Crowell can congratulate himself upon the success of yesterday's election.

The entire Republican State Ticket has been elected by a majority of 150,000 and Edwin S. Stuart will be Pennsylvanias next Governor. Stewart carried the city of Philadelphia by a majority of more than 50,000 one ward giving him a majority of 1711. The county ticket went through a humming. One hundred districts have been heard from and everything is solid for the Republican candidates from Congressman George F. Huff to M. I. Barnhart Jury Commissioner.

For Governor of New York the latest returns show that Hughs has defeated Hearst by a majority of not less than 157,000. It was a hard battle in New York State and the millionaire newspaper man and his staunch supporters put forth every possible effort to win.

Associated Press Bulletin New Haven, Conn..—Towns are reporting early and indications are entire Republican state ticket with Congressmen will be elected by plurality large as two years ago.

Baltimore—Maryland delegation in the next Congress stands the same as in last, Representatives gain one in first district and lose one in the third.

St. Paul, Minn —Returns read by the Democratic State headquarters indicate a landslide.

St. Louis —The Democratic News claims Texas will elect 16 Democratic Congressmen, Democratic Governor and other state offices and that the State Legislature will be Democratic.

Philadelphia Republican state headquarters claim state by 100,000 plurality, 15th ward complete gives Stuart 4,655, Emery 6023, Rotan 4463, Gibbonry 3117.

Wheeling:—The Daily Intelligencer (Rep.) says Ohio county gives Hubbac Republican for Congress 1000 majority the district will give him 3000 majority, all five Republican Congressmen elected. Legislature Republican by 40 majority on joint ballot.

New York—With one election distriots missing vote, Hearst 22,074, Hughes 13,881.

Texas, Arkansas and Mississippi — All Democratic nominees elected.

The vote in Iowa for Governor is large. Cummings plurality of 1903 will be much reduced but indications point to his election.

Indianapolis—Indiana bulletin 320 voting precincts in Indiana give Cox, Democrat 22,330 of Simms, Republican 27,890, same precincts in 1902 gave Schoonever, Democrat 23,165. Storms Republican 28,729, Democratic gain.

Guthrie, Okla.—The constitution of New State of Oklahoma will be written by Democrats.

Detroit, Mich.—Republican state central committee from returns received so far claim election of Warner for Governor by over 100,000 and all 12 Congressmen.

RESULTS OF LOCAL ELECTION

A Very Light Vote Polled and Little Interest Manifested All Around.

Yesterday plainly demonstrated that Monessen is "off the map" so far as politics is concerned. It was the quietest election ever held in the town, many of the best citizens remained away from the polls and the various polling places had a deserted appearance all day.

There are twelve hundred and eighty-five registered voters in the three wards and of this number about one third cast their ballots In the three wards there were less than 475 votes polled which demonstrates clearly that yesterday's election was a frost, a veritable freeze.

Even though there was a fight on for District Attorney and on the legislative ticket there was not sufficient interest taken to get out half the vote.

J. A. Sheetz, the Democratic candidate for the legislature, was quite active, but it proved quite an uphill proposition for every candidate to impress upon the voters that they had a duty to perform. The vote at the various wards is as follows:

THREE RESIDENCES BURGLARIZED BY BOLD NEGROES LAST NIGHT

Daring Mauraders Not Yet Satisfied Visited as Many More, but Were Frightened Away.—Created Reign of Terror on First Street Hill.

Two daring negro burglars created a reign of terror on First street hill, early this morning, by breaking into three residences, ransacking them, and making unsuccessful efforts to enter as many more. The first place visited was the home of Walter Robbins on Oneida street. Mr. Robbins discovered one of the thieves in a downstairs room about 1 30 o'clock and put him to flight with the aid of an old shoe. Nothing of value was taken but the family received a good scare.

The next place visited was the home of Mr and Mrs. L. M. Sibbett, on Knox avenue, near First street, where an entrance was gained by prying open the dining room window. Mrs. John Pierce who occupies a part of the house was awakened about 2 30 o'clock and discovered one of the negroes in the act of ransacking the dresser in her room. Mrs. Pierce made a slight noise, and the negro ran from the room making his escape through the window, which had been left open.

He was joined by his companion and together they made good their escape. The family was quickly aroused and the police notified. Although an officer made a complete search of the vicinity no trace of the negroes could be found. Investigation showed that the house had been ransacked, and turned topsy-turvey from top to bottom.

A coat, vest and hat belonging to Mr Sibbett, $1 50 in cash and a razor was all that was found to be missing An overcoat belonging to Wilbur Sibbett and two ladies coats were found lying a short distance from the house, where they had been dropped by the thieves. A pocket containing a large sum of money, the property of Miss Mazie Stobett, and several watches and other jewelry were overlooked.

The home of C. C Suter who is employed at Kelley's undertaking establishment was entered and a pocket book containing $3.00, belonging to Miss Essie Moritz is stolen.

Attempts were made to enter several other residences but the robbers were frightened away before they succeeded in effecting an entrance The boldness of the unknown entrances is unusual and it is thought by the police they belong to a gang of professional operating in the valley Mrs. described the negro who was in room as being powerfully built and ing a coal black complexion.

GOOD SHOW LAST NIGHT.

A fair sized audience witnessed the production of "In Louisiana" by the Chauncey-Keiffer Stock Company, at the opera house last evening and it is doubtful if a more interesting or better acted play was ever seen at popular prices.

Miss Grace Keiffer as "Savannah Blake" was most entertaining and gave the part an artistic light and shade and feeling that made the part more impressive. Walter M. Ebel was manly and convincing as "Joe Raleigh" and acted in a highly satisfactory manner. John Brownelle was a strong villian in dual roles, and James R. Reynolds was an athletic tramp, while the others gave fine support The specialties were all new and made a big hit Mr. Clayton as the faithful donkey, did a most entertaining specialty. Mr. Reynolds introduced a new monologue, songs and a burlesque drama, while Montambo and Falls, again scored heavily with their acrobatic comedy act, the best of its kind ever seen here.

Tonight "Thelma" a story dramatized from Marie Corelli's famous book, will be played. It is the company's feature play.

SERVICE WAS APPRECIATED.

The special wire manipulated by the Independent for the purpose of obtaining the authentic election returns last night, was appreciated by the citizens of the town, which was manifested by the large number present at the Union League club rooms where the bulletins were placed to public view. A lunch was served and everybody present seemed to appreciate the efforts of the management of the Daily in arranging for such an excellent service.

We wish to thank the members of the Chauncey-Keiffer Stock Company for contributing to the entertainment of the guests. All present spoke in high terms of their efforts. Caterer Stanley served a very enjoyable lunch.

Thaw to be on Trial

"Harry Kendall Thaw will stand on the plea of justification when arraigned in the New York courts for the killing of Stanford White. His attorneys will make no attempt whatever to prove him to have been insane when he shot and killed the New York architect in Madison Square Garden"

This positive statement was made yesterday morning by Detective Roger O'Mara, who has charge of the entire detective work for the defense in the Thaw-White tragedy when asked as to the progress of the case.

GIRL WORKED CLEVER SCHEME

A small girl entered Towner's store at Charleroi, shortly after the noon hour Monday, and after wandering around for a short time, began to whimper and cry This attracted the attention of the clerks, who inquired as to the cause of the child's trouble. She replied that she had lost her money, and could not get to her home in Monessen. Upon learning her trouble the employes of the store immediately contributed a sum of money to take the girl home, and the little one left as they supposed for Monessen. Later in the afternoon, however, it was learned that the girl was seen in one of the stores in town, spending the money which had been contributed so generously to her supposed needs. The clerks at Towner's now feel as if they had been taken in.

EVERYTHING IS STRAIGHT REPUBLICAN

Close Shave Though for John Wentling for District Attorney.—Majority of 119 Over Eicher out of 102 Precincts.

The latest reports from Westmoreland county are to the effect that C. Ward Eicher, Democratic nominee for District Attorney, is a close second to John F. Wentling, Republican, if not a winner.

The great contest is over and the returns are being rapidly tabulated and Eicher and his supporters are still of the opinion that he will be the winner in the final roundup Out of 102 precincts Wentling has a majority of 119 over Eicher and there are sixty precincts yet to be heard from. The Republicans claim that every precinct yet to be heard from will make Wentling's majority greater. Every other Republican on the ticket won by a large majority.

Huff has fully 5,000 plurality for Congress and the legislative candidates were not even scared. With the exception of Wentling, the entire ticket will win out over the county by a majority of 3,000.

A very light vote was polled everywhere and several other precincts were in the same boat with Monessen, rather frosty. Much politics hath made the voters mad, it appears and as a result there was a general stab made at some of the nominees and the old time "straight" Republican for once saw fit to change his course and go the other way, with the result that he lost sight of the winner at the second goal. Howsomever we are in the midst of the aftermath and the best thing we can do is to settle down, get busy and ask Greensburg to cough up "smoother time"

TROUBLE AT McMAHON.

The McMahon borough polls were the scene of considerable disorder yesterday, when Burgess Guiser refused to vote unless a new election board was elected

Mr. Guiser contended that the members of the board were elective officers of the borough and that it was therefore unconstitutional for them to serve. The gentleman who composed the board declared their intentions of serving, and as a result of this friction an ugly feeling prevailed throughout the day Towards evening the feeling ran high and was further intensified by the refusal of one of the election board to help count the votes after the polls had closed. Both factors have bitterly denounced the other and the case may yet be aired in the Greensburg courts

Heart Strength

Heart Strength, or Heart Weakness, means Nerve Strength, or Nerve Weakness—nothing more. Positively, not one weak heart in a hundred is, in itself, actually diseased. It is almost always a hidden tiny little nerve that really is all at fault. This obscure nerve—the Cardiac, or Heart Nerve—simply needs, and must have, more power, more stability, more controlling, more governing strength. Without that the Heart must continue to fail, and the stomach and kidneys also have these same controlling nerves.

This clearly explains why, as a medicine, Dr. Shoop's Restorative has in the past done so much for weak and ailing Hearts. Dr. Shoop first sought the cause of all this painful, palpitating, suffocating heart distress. Dr. Shoop's Restorative—this popular prescription—is alone directed to these weak and wasting nerve centers. It builds; it strengthens; it offers real, genuine heart help.

If you would have strong Hearts, strong digestion, strengthen those nerves—re-establish them as needed, with

Dr. Shoop's Restorative

Doan's Kidney Pills Brought Strength and Health to the Sufferer, Making Him Feel Twenty-Five Years Younger.

Sick kidneys cause a weak, lame or aching back, and a weak back makes a weak man. Can't be well and strong until the kidneys are cured. Treat them with Doan's Kidney Pills. Here's the testimony of one man cured.

J. B. CORTON.

J. B. Corton, farmer and lumberman, of Deppe, N. C., says "I suffered for years with my back. It was so bad that I could not walk any distance nor even ride in easy buggy. I do not believe I could have raised ten pounds of weight from the ground, the pain was so severe. This was my condition when I began using Doan's Kidney Pills. They quickly relieved me and now I am never troubled as I was. My back is strong and I can walk or ride a long distance and feel just as strong as I did twenty-five years ago. I think so much of Doan's Kidney Pills that I have given a supply of the remedy to some of my neighbors and they have also found good results. If you can sift anything from this rambling note that will be of any service to you, or to any one suffering from kidney trouble, you are at liberty to do so."

A FREE TRIAL of this great kidney medicine which cured Mr. Corton will be mailed on application to any part of the United States. Address Foster-Milburn Co., Buffalo, N. Y. Sold by all dealers; price, fifty cents per box.

May Get Pinched

It is rumored and upon reliable authority, that one of Monessen's prominent citizens may get "pinched" as a result of yesterday's election. He is charged with being a pickpocket and if the allegations are true and the case comes into legal prominence, the developments will make interesting reading. Out of respect the family of the alleged thief, we withhold the name. We extend the same courtesy to the person who it is said will bring the charge. More than a dozen of witnesses, all of whom were bystanders when the goods were stolen, will be called upon to testify.

A Word About Black Dress Goods

IN the world of black dress goods there are two makers whose product stands out with greatest prominence—Lupin of France and Priestley of England. The blacks of these makers are synonymous with all that is worthy and fashionable.

Judging our store by its assortment of black dress weaves—and this is by no means a bad way to arrive at conclusions regarding the scope of a dry goods store—you are sure to be impressed, for we carry not only every material manufactured by the above makers, but also the most reliable and inexpensive weaves of other foreign and American manufacturers.

Some random quotations follow:

All Wool Black Cheviots, 42 to 54 inches wide, 50c, 75c, $1.00 a yard.

All Wool Black Serge, 50 and 52 inches wide, 75c and $1.00 a yard.

All Wool Black Armour Cloths, Melrose Cloth, Taffeta Cloth, Herringbone Worsteds, Whipcords and Poplins, 44 to 48 inches wide, $1.00 and $1.50 a yard.

All Wool Broadcloth, twilled back, 52 inches wide sponged and shrunk without extra charge, $1.00 a yard.

A finer grade of imported Black Broadcloth high silk finish, 52 in. wide, sponged and shrunk, $2.00 a yard.

SPECIAL Our regular $1.25 grade of imported Black Voile, crisp finish medium mesh, rich jet black, 45 inches wide, for 75c a yard

Place your spare change where it can work and grow big.

A Few Dollars Invested Now

In a safe way will, in future time, bring back easy money, and make you independent—but in placing your money, steer clear of all questionable, wild cat propositions, of which there are scores.

HOOSAC TUNNEL

Is safe, sound, sure, and in a class far above the average. It is above being peddled on the curbstone market. **A double track tunnel** is being driven through one of the richest hills of Colorado, to haul and treat ores of more than eighty different mines, After the tunnel is completed the dividends will be large and continue many years.
